# About Top Ramen

“Is there a bottom  
Ramen?”

# On The Economy

“You know the Economy is bad when...  
it's Ali Baba and the 20 thieves”

(get it? It's supposed to be 40  
thieves but he had to downsize)

# About Donations

"If you want a donation,  
you should ask Ellen  
degeneres, 'cause she's  
de generous"

# On David's Move into Donn's Desk

“See this is D replaces D”

# About Ginger's MBA

"When you get your MBA,  
you will be Mo' Betta'  
Eh?"

# About the ARCS 'Ralph Fever' Typo

"You need to get the Fever"

# About Bono

"You know Bono, lead singer of U2?"

"It could also be a deodorant, 'B.O. No!'"

# On Foreign Policy

"Israel's prime minister's last name is like fishing. You've got you're 'net-an-yahoo!' there's fish in it"

# About SD Cards

"SD is for San Diego,  
right?"

# On Chemistry

"I wonder why they call it formaldehyde. When it was discovered & named was it known to form aldehyde bonds?"

# On Labor

“Istanbul gets its name from a boss who was yelling about his workers sitting around doing nothing. One worker said, “But boss, I stan” The boss said, “I stan, bull!”

# About the Toyota Yaris

“What Is a Yar?”

# About a 'Big G1' santa hat spotted behind Vrushali

"Look, Vrushali,  
you're the Big G,  
instead of O.G.,  
you're the Big  
G...you know O.G.  
= Original  
Gangsta...Big G"

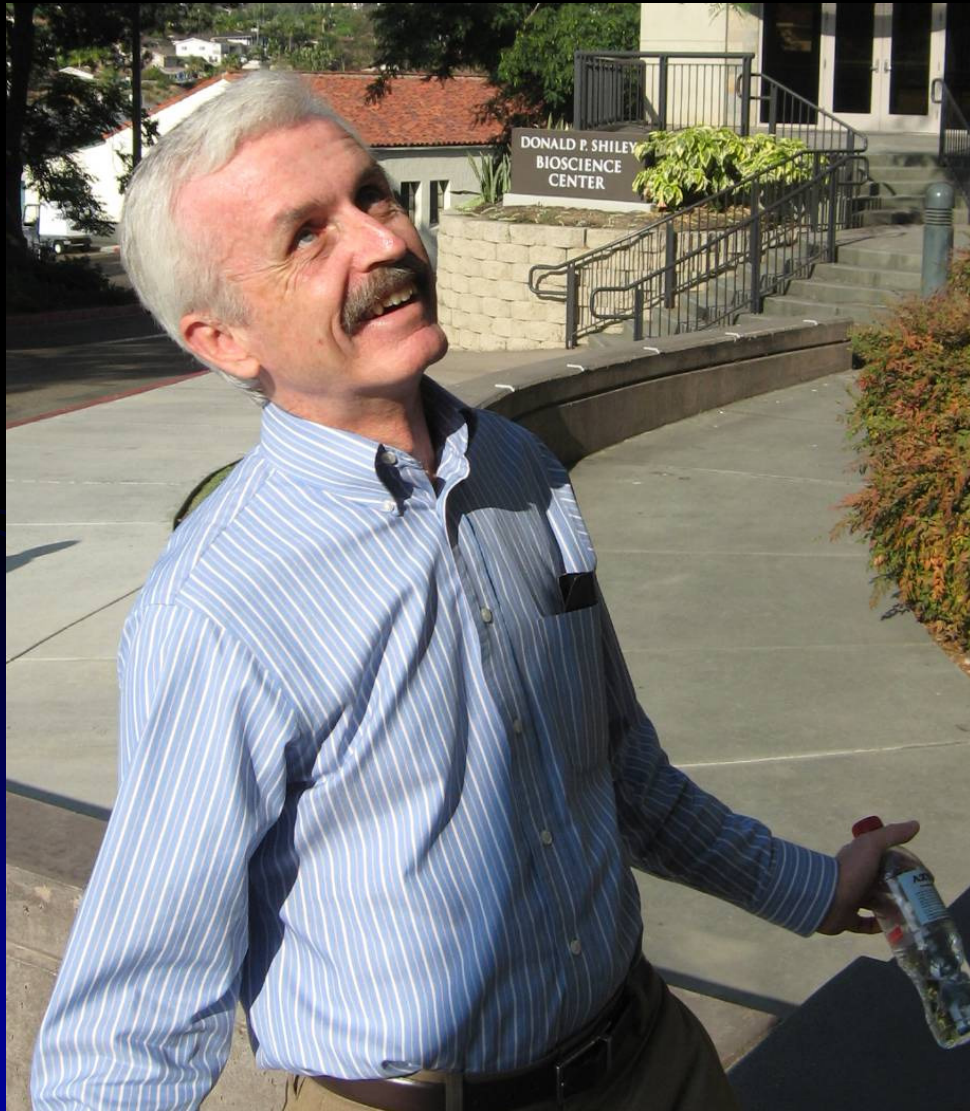

# About a Service Vendor

"The address is dcluff@cluffindustries.com, because he's de cluff."

# On Texting

“I remember when  
LOL stood for Love it  
or Leave it”

# About Artificial Flavoring

“If I wanted to go out and lick my car for a meal, I'd do that”

# About 8GB Flash Drives

“We should get ones that are HP...that way, when we give them to someone, we could say we were giving them Heebee jeebees.”

# About Higher Education

"I saw a sign at the Farmer's market that said 'Occupy Higher education....and I thought that makes sense, because Higher education is way up in the sky and if everyone occupied it, we'd weight it down and lower education."

# More on Higher Education

"We called Mesa  
College UNLV =  
University of Linda  
Vista"

# On the Banking Industry

"Ally bank...it's Ally  
like Axis and the  
Allies, or A-Lie bank."

# About Supply Chain Management

“Is there a demand chain management?”

I think it's called marketing”

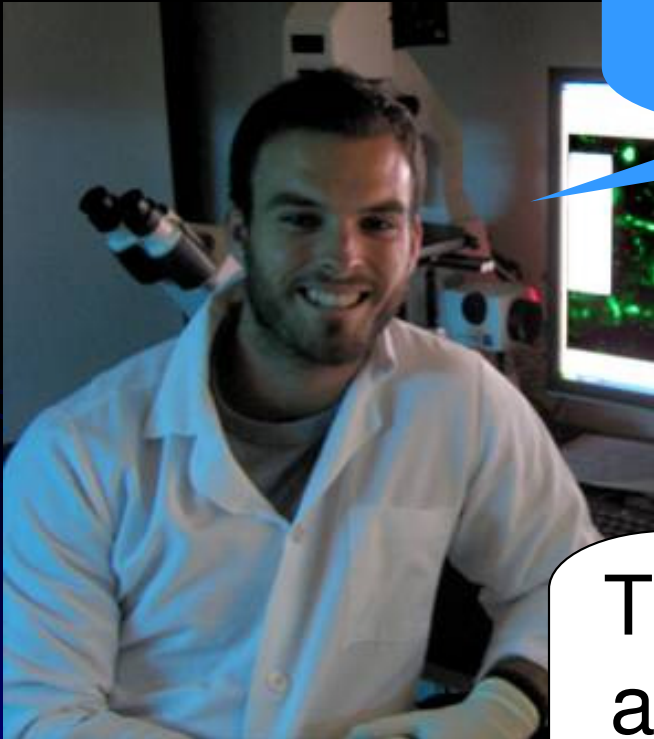

# About Research

Did you know there's  
a new institute that  
researches Surfing?

They should start  
a Hopscotch one

# On Designer Fashion

When I got back from vacation, I had a bunch of Prada shirts

So your students were like, "Hey look it's the devil, he's wearing Prada"

# About Grading

"Why do they call it grading rubrics anyway? How does it have anything to do with the rubrics cube?"

"It doesn't...rubric is different from Rubic's cube"

"I thought it was 'cause rubrics cube is a complex puzzle...like admissions"

# About MPV..no, wait...MRP!

I haven't read up on MPV yet

What?

The virus that's contaminating the mouse room...what you're looking

I'm looking at MRP?

...That stands for 'My resource problem, right?

# About Scott

"I should go to  
cuss-a-holics  
and take their 12  
step program for  
cuss-a-holics"
